

The conference brochure is on the web site and will soon be sent out in hard copy as well, so share it with your colleagues.

<http://insideoutupsidedown.cefpi.org.au/registration>

Registrations are coming in, and you need to register early to get your first preference for workshops and site visits.

Register online at <https://www.secureregistrations.com/CEFPI2014/>

Winners!

A random draw from early registrations gives a small prize to three business managers! Congratulations Kel Haynes, (NSW) Mark Glover (Vic) and Michael Papali (WA). Collect at the conference.

About the program

A quick look at the program will show that this CEFPI conference includes a strong focus on education as well as architecture and provides outstanding opportunities to be embedded in a learning environment where the pedagogy and curriculum is demonstrated and linked to the community consultation process and building design.

The Fringe

At the end of each working day on Monday and Tuesday there an event called “the Fringe” provides an opportunity to unwind but also to be entertained, to learn more from short presentations and to network. Don’t miss it!

People’s Choice

This year we are providing an opportunity for CEFPI members to participate in assessing the projects entered into the Awards. When the information is available you will be encouraged to make your choice and be part of the process.

Mayfield Project

Projects are under way and we look forward to seeing results on the final day.

Did you know....?

CEFPI Australasia was formally founded in Adelaide in 2000. The CEFPI International representative present at the time to make the formal announcement was Ed Humble from Washington State, USA.

Do you know.....?

The name of the person who developed a model for systematic colonisation focused on a free labour system for the colony of South Australia and also for New Zealand?

Regards,

The SA Conference Team
