

The deadline for all registrations is Friday 9<sup>th</sup> May, 2014 – only two weeks to go. Register on <https://www.secureregistrations.com/CEFPI2014/> Some tours and site visits are full, so don't delay.

**The Mayfield Project for Young Professionals** The state-based teams are working hard on their projects which will be presented on Wednesday 28<sup>th</sup> May. A detailed publication will be on sale at the conference. Special thanks to all involved in creating, editing and publishing this book – a real team effort. The Project's patron, Dr Lisa Heitz-Mayfield, will be at the conference.

**Site visits** – this year these are opportunities to be on site for an extended time and to find out how curriculum, pedagogy and management combine with the built environment to provide a 21<sup>st</sup> C learning experience. Buildings, furniture, landscaping and ICT all contribute to support and complement the needs of students, teachers and the community. We look forward to your feedback via photos and comments which will be shared by displaying at the conference.

**Did you know .....**? Adelaide is Australia's "Nobel Prize City" with four eminent scientists being awarded this prize.
